FREQUENTLY ASKED QUESTIONS

○ **How physically demanding is the trip?**

Nothing super extreme—just some fitness and a willingness to stay active and a spirit for adventure is all you need.

○ **Is it beginner-friendly for backpacking?**

Yes! Our trips are designed with first-timers in mind, and our guides are there to support you throughout.

○ **How big is the group?**

We keep it small—10 travelers plus 2 guides—to keep things fun, flexible, and easy to connect.

○ **Can I join solo?**

Yes, and it's actually encouraged! Solo travelers often have the best time getting to know the group.

○ **Is it safe for solo female travelers?**

Yes, as long as you're with the group and follow the guides' instructions, the trip is very safe.

○ **Can I have a private room?**

Not on these trips. We stay in hostels to keep things social and immersive—it's a key part of the experience.

○ **How much cash should I bring? Do they accept cards?**

We recommend bringing \$200–\$500. Credit cards work in most places, but small shops often prefer cash.

○ **What if I arrive early or late?**

Early is best—we'll gladly suggest where to stay. Arriving late is discouraged, as it's harder to catch up with the group and you'll miss key trip introductions.

○ **Can I join only part of the trip?**

No. The trip is designed to be experienced in full, from start to finish—it's all part of the magic.

○ **Will Saudi Nomad guides be in the post trip experiences?**

No. Post trip experiences are run by awesome local guides, separate from the main trip and have separate arrangements.
